

Puppy Deposit and Pick-Up Info:

I require a **\$250 deposit** to hold a pup from any litter, however if the particular pup you want is not born in this litter and you have already made a deposit, I will hold your deposit for the next available litter—there are **NO REFUNDS** on the deposit. I accept only **Cash or PayPal** payments for the deposit. If PayPal is used, please add 3.5% to the \$250 amount for a total payment of **\$258.75**; you will need to use the following email address in the "To" box in the "Send Money" tab: kbxrlvr@bellsouth.net The total price of the pup will include the deposit amount. Pups will need to be picked up by 8 weeks of age; if full price has already been paid for pup and prior arrangements made between you and I, then I will keep the pup for any additional weeks after the age of 8 weeks for an additional \$50 per week (to cover food costs and housetraining/general obedience training). Balance of price of pup will be expected upon pick-up of pup and by **Cash Only**. I do not ship my puppies, but am happy to invite you to my home for pick-up most anytime on the weekends or weekdays/weeknights.

Total price for pups will depend on lineage. The prices quoted to you are for **Limited** AKC Registration only; if you want **Full** Registration (breeding rights) an additional pre-determined amount is required at the time the dog/bitch reaches the appropriate breeding age. To clarify: "appropriate breeding age" is at the time of the Bitch's 2nd heat cycle or on the Dog's 1st birthday. If you decide to get Full registration for your dog/bitch, you agree to give me the right to the **first pick of the first litter of pups** that your fully registered dog/bitch whelps (free of charge). In return, I agree to help you choose a good mate for your dog/bitch to be bred to and to help you in any way I can in the breeding process. Please call or email me for Limited vs. Full Registration pricing information. I also agree to take the dog/bitch back at any age if you can no longer care for them.

I, _____ agree to the above terms for the puppy deposit/pick-up.
